Reference letter

Holbox Poland Sp. z o. o. cooperates with the TAX-NET S.A. accounting office since 2019. Our company designs and manufactures displays and POS materials.

As part of the cooperation, the office conducts the accounting and human resources of our company in a professional manner. The team dealing with our company's affairs is characterized by high competence, great commitment and is available to help in all matters that require clarification or information. Matters entrusted to the team are carried out with the utmost care. The company takes an individual approach to solve problems, and the high qualifications of the entire team and quick response time deserve recognition.

The office represents us in all formalities related to the Tax Office and the Social Insurance Institution, and during our long-term cooperation there were no problems in this regard. All services provided by the TAX-NET S.A. accounting office are performed flawlessly. The cooperation so far is characterized by full professionalism and commitment.

Considering the overall cooperation with TAX-NET S.A. we state that the office fulfills its obligations conscientiously and professionally, and our cooperation in the substantive scope is excellent.

Holbox Poland Sp. z o.o.
